ABOUT US

Agrow Allied Ventures Pvt. Ltd. (AAVPL) is world's leading manufacturer of Technical and Formulations Herbicides, Insecticides and Fungicides. We have state of the art technical manufacturing plant with capacity of 30,000 mts and an Ultra Modern Plant to produce all kinds of formulations like liquid, powders, granules and various combination products. Our company is government recognised Star Export house, exporting to more than 60 countries today, with global registrations in North and South America, Europe, Africa, Middle East and S-E Asian Countries.

Our Company hold licenses to manufacture over 40 technical and 300 formulation products. Plant is Strategically located and designed to meet international and domestic market requirements. Our strong R&D team continuously works hard to produce high quality products at the most competitive prices. Agrow Allied aims to serve farmers with the best crop protection solutions to fight pests and to maximise farm yield.

CERTIFICATIONS

TECHNICAL PRODUCTS

Strongest Manufacturer of 2,4-D Series

Capacity :- 18,000 MTS

2,4-D Acid 98% Tech
2,4-D Sodium Salt 95% SP
2,4-D Ester 97% Tech
2,4-D Amine Salt 860/720/600 Gms/Lt SL

2,4-D Amine 36% + MCPA 31.5% SL
2,4-D Amine 20% + Propanil 36% EC
2,4-D Amine 240 g/l + Picloram 65 g/l SL
2,4-D Amine 34.5% + Dicamba 12% SL
